Borough of Northumberland, Pennsylvania

Spring 2008

## HISTORY DAY PLANNED FOR MAY 3

Mark your calendar for Saturday, May 3 for the 6<sup>th</sup> Annual History Day! The celebration will take place in King Street Park in Northumberland, 10am – 5pm. This family fun event will take you back in time to experience the days of canals, tea parties, open hearth cooking, folk music, and more.

Northumberland is full of remarkable history. Not only is Northumberland home to Joseph Priestley; it also boasts a wealth of railroad and canal history. Did you know that Northumberland was one of the most preeminent canal towns in Pennsylvania, with three canals coming together at the basin? Canals became extremely valuable in the early days of transportation, cutting the cost of freight by nearly two thirds! The canal history of Northumberland will surely not be forgotten at this event. Stop by to see Captain Mick and watch his canal history slide show and visit with Rich Pawling, or better known as Canal boat captain, “Cappy Hummel”. The Muncy Historical Society will also be exhibiting their packet boat. Tony White and Herman Jones will be exhibiting their canal artifacts and model canal boat and lock. The PA Canal Society will also be on hand to answer any questions you have on the canals.

There will be a variety of live demonstrations including high wheelers, chair caning and repair, flower arranging, weaving, needlepoint, soap making, and a blacksmith. In addition to the live demonstrations, there will be plenty of displays to peruse as well. There will be railroad artifacts, local farm history, WWII medals, and the Northumberland No. 1 Fire Company display. Be sure to check out the array of old Northumberland business signs to see if you can remember where

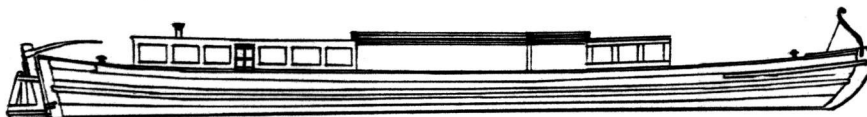

they all once were!

Numerous groups from throughout the community will be there as well to answer questions and share information. Stop by to visit with Friends of Joseph Priestley, the Northumberland Point Township Revitalization

Committee, C.W. Rice History Club, and the First Presbyterian Church.

Be sure to bring your appetite, because History Day just wouldn't be complete without all of the great homemade food like soup, brisket sandwiches, hushki, and of course ice cream! This year's specials will be chicken corn soup, beef brisket sandwiches, and vanilla ice cream. Buckeye Bakery will also be selling baked goods. History Day will even bring

back old favorite sodas like sarsaparilla, birch beer, and cola.

There will be numerous activities throughout the day for everyone to enjoy...

- 1850s Tea Party will feature open hearth cooking delicacies such as gentleman's caviar, shortbread cookies, and lemon curd tarts, just to name a few.
- Children's Colonial Crafts & Games
- Buggy rides with the Mifflinburg Buggy Museum, free for children
- American Indian Interpretation
- Folk Music of fiddle and drums
- Walking Tour of Historic Northumberland
- Open Hearth Cooking
- “Popcorn Cinema Roadshow” at the United Methodist Church
- 1750s storyteller, John Moore
- Ancestry instruction with the Fort Augusta Chapter of the Daughters of the American Revolution
- Children's story time at the Priestley Forsyth Memorial Library 10:30, 11:30, 12:30, 1:30
- St. Mark's Episcopal Church Open House
- Local history information in the History Room at the Priestley Forsyth Memorial Library
- Historical portrayals of General Winfield Scott Hancock, Betsy Ross, and Mrs. Anderson the Confederate Lady
- Logging Encampment complete with children's program

## CURBSIDE YARD WASTE RECYCLING SERVICE

Beginning June 2, Northumberland Borough will institute a curb side yard waste recycling service. This schedule will provide service to each homeowner once a month and will be offered during the months of June, July, August and September. The material collected will be shredded into mulch which will be made available to the residents of Northumberland Borough free of charge. Later editions of the Pineknoller News will explain where and how borough residents will be able to pick up the mulch.

Material to be picked up: Yard waste from trimming trees, bushes and plants. All trimmings are to be tied up or in trash type containers ready for dumping; **no plastic bags**. Do not use wire or metal materials to tie bundles; bundles must be able to be cut open with a razor knife. Bundles may not be heavier than 50 pounds.

The yard waste is to be placed on the sidewalk side of the curb and ready for pick-up NO LATER than 6:00 a.m. on the scheduled pick-up day. DO NOT PLACE ANY MATERIAL IN THE STREETS.

The Street Department will not spend more than **10 minutes per residence** and will not be permitted to enter yards to pick up brush.

**Northumberland Borough is not providing any drop off location for yard waste.**

Residents who live on Avenues without "No Parking" restrictions and have no access to a street may call the borough (473-3414) once a month when they have material to be picked up. We ask that you call the week before an adjacent street is being collected so you can be serviced as efficiently as possible.

Please cooperate with these guidelines so we can provide this service to the community.

## NORTHUMBERLAND BOROUGH POLICE

STATISTICS SUMMARY JANUARY - MARCH 2008

15 Vehicle accidents	16 Reported thefts
35 Reports of suspicious activity	17 Harassment complaints
18 Domestic disturbance calls	5 Burglary complaints
15 Criminal Mischief complaints	3 Identity Theft complaints

138 Traffic citations filed

10 Non-traffic citations filed for offenses such as harassment, public drunkenness, theft of services and underage drinking.

26 Total arrests were made during this time by this department (does not include traffic citations).

Identity thefts are on the rise and we are starting to see more of them. It is very important to contact this department as soon as possible when you suspect you are a victim of an Identity Theft.

### **Police Department Tips**

- Always contact the Police if suspicious activity is observed
- Always lock up your house, other buildings and vehicles
- Always buckle up and obey traffic laws

### **Traffic Violation Complaints**

Contact the Police Department with area and traffic violation complaints; we will do our best to address these problems.

## TIRES AND PORCHES

You might be wondering what tires and porches have to do with one another !

Well...these are two issues of concern in keeping our town clean and beautiful. If you walk or drive through the borough, you will notice that many homes have a tire or two (or 5 or 6) on a porch, leaning along side the house, in the yard, etc. These are an eyesore. They become the breeding ground for mosquitoes when water accumulates in them. In other words, they should be removed or at least placed in a garage or shed.

Our code department frequently has to notify homeowners about "stuff on porches". It is springtime and a time to enjoy porch-sitting and lemonade-sipping !! Porches are not to be used for storage of non-porch items. You may not have "inside" furniture on an outside porch. This means no upholstered chairs, sofas, or loveseats should be outside. This also includes desks, tubs of yard sale items, garbage bags, bags of recyclables, and so forth. Please keep your porches neat. It makes YOUR home look better and benefits the whole neighborhood.

## WHAT WILL THE KIDS DO ON SUMMER VACATION? HOW ABOUT SUMMER HISTORY CAMPS?

The Friends of Joseph Priestley House and the Northumberland County Historical Society invite children in first through fifth grades to our annual co-sponsored Summer History Camps, to be held July 23-25, at Priestley House and August 4-6 at Hunter House/Fort Augusta.

This year at Priestley House, campers will help solve “Joseph Priestley House: A History Mystery”. The mystery is: how did Joseph Priestley’s home become a museum?

Campers will search the house and grounds for clues, meeting Joseph Priestley and other important “persons of interest”. Through stories and crafts, games, snacks and more, Priestley House staff and volunteers will help campers investigate the museum’s interesting journey to becoming a National Historic Landmark.

At Hunter House/Fort Augusta, campers encounter “Native Americans in the Susquehanna Valley”, by hearing about Pennsylvania’s frontier at the Native American village of Shamokin—present day Sunbury—through artifacts, structures and a meeting with Susanna Hunter, wife of Colonel Hunter, who lived at Fort Augusta. Other guests will include storyteller John Moore, Captain Michael Slease of the Augusta Regiment, and Native

American speaker David Blackbear Ramsey. Each will share information about local life in the 1700’s. Crafts, snacks, and photos of campers in costume will be part of the three day experience.

Sessions will be held from 9:30 a.m. to 12 noon each day of camp. Registration is required by July 11. Cost is \$35 per camper per week, but the excitement of coming face to face with the past is lasting, and priceless. Enrollment will be limited and is on a first-come, first-served basis. If you know a junior historian who would like to attend Summer History Camp, please contact Brooke Dearman at Joseph Priestley House (570) 473-9474, or Cindy Inkrote at Northumberland County Historical Society at (570) 286-4083.

### Charles "Bud" Ditton

1939 - 2008

Northumberland lost a dear friend with the recent passing of Charles "Bud" Ditton. He served on Borough Council with distinction, using a combination of persuasion, detail and yes, feistiness to improve our community that will likely never be matched again. A member of the council from 1999 until his death, Mr. Ditton served on various committees throughout his tenure.

To honor his memory, Council President Bryan Wolfe declared April 3, 2008, Charles "Bud" Ditton Day. Those who worked with him will miss his commitment, insight and dedication.

## COMPREHENSIVE PLAN PUBLIC MEETING SET

Work continues to develop a new multi-municipal comprehensive plan for Northumberland Borough and Point Township. The committee of residents from both communities has been meeting on a monthly basis with professional planners from Gannett-Fleming, Inc. The first public meeting was held on October 1, 2007 for residents' comments. A second public work session is scheduled for Monday, June 9 from 7:00 to 9:00 p.m. at the Kiwanis Building on Prince Street.

The study includes a variety of topics such as transportation, industry and commercial businesses, agriculture, historic preservation, community services, education, recreation, infrastructures, and trends in demographics, housing and economics. Once a final draft of the plan is complete, the Northumberland Borough Council and the Point Township Supervisors will take action to approve the plan so it may be implemented.

**You can help! Plan to attend the public meeting on June 9 at 7:00 p.m. and share your vision of our future.**

Since 1920

[Butter-Krust.com](http://Butter-Krust.com)

Liberty Splashland, what is it? Well it's right in your back yard. No, don't go to the window and look. It's your community family aquatic center on Prince Street. If you haven't heard of it you are among the few in town.

We, at Liberty Splashland, don't want to be known as the best kept secret in Northumberland. The park is a relaxing place right here in town to have fun getting wet by going down the drop slides, doing a cannonball off the dive into 12' of water, swimming laps, getting sprayed with your kids in the Spray Zone spray ground, getting soaked by the Dump Tower or just lounging on a tube in the pool. There are lounge chairs for you to soak up the sun, sand volleyball and some of the cheapest concession foods you will find anywhere like cheese sticks, chicken fingers, fresh fruit cups and bottled water.

This year's project is the continuation of replacing the concrete decking in front of the dump tower to maintain a nice smooth place to walk. We will be continuing to upgrade the deck and the pool edge over the next couple of years and have some plans for increased lounging areas and separate eating areas.

Hours of operation are 12:30 pm to 6:30 pm every day (see our weather policy at the park) from the last day of school until the Sunday before school starts at the end of August. Lap lane swim is from 12 noon to 12:30 daily. There are 6 lap lanes available and typically only one person comes to do laps. This is a good time to get in some exercise without the distraction of kids.

Admission rates are the same as last year at \$4.00 for general admission, \$2.00 for senior citizens and children 5 and under free. All rates are 1/2 off after 5pm. The season pass is always our best value at \$80 for an

All passes can be purchased at the Borough office located at 221 Second Street until the pool opens and are 10% off until **May 30<sup>th</sup>**. Discounted rates are \$72 for an individual pass, \$135 for a family pass and \$40.50 for a lap lane pass.

The park will have a more professional appearance that we are sure will please you. There will be changes in employee clothing. Lifeguards will have standardized suits and the concessions and front desk employees will have Liberty Splashland shirts so you can identify our employees.

We want to welcome back one of our senior and most experienced lifeguards, Heaven Felmy. This year, Heaven will be in charge of daily operations. Heaven will answer any of your questions about passes, parties and your general needs at the park. She is also in charge of personnel and the cleanliness at the park. Heaven is planning several special events for the kids in the evenings and a Guitar Hero competition will be held in July and August with prizes to be given away.

If your group or organization wants to come to the park either during normal hours or as a private party after hours, we are equipped to handle up to 200 additional people at the park and have picnic facilities at the rear of the property. Consider the park for all your group and company picnics needs.

While Liberty Splashland is clearly not a resort, we do have more to offer than any other community pool in the area. Our diverse water features and natural setting create a comfortable and fun atmosphere just a few minutes from your front door. Take advantage of all we have to offer this summer. You can save money on gas, huge admission fees at the big parks and not stand in those crazy lines. Better yet, buy the season pass and have fun a couple of days a week, every week, until school starts. School will be out before you know it and summer will be cranking up the heat. This summer, have fun, get wet and save money by coming to Liberty Splashland.

## NEW COUNCIL MEMBER

After being appointed to a position on Northumberland Borough Council, I wanted to take a few moments to introduce myself to the community. My name is Bob Long and I have lived almost my entire life in either Northumberland or Sunbury.

For many years I lived on Hanover Street and attended CW Rice. I was a 1995 graduate of Shikellamy and a 2004 graduate of Mansfield University with a degree in Elementary Education. I currently am the Center Director of a Children's Center.

During the last few years I've assisted my wife, Noelle, in putting together and running several community events including Lemonade Day and the Fall Festival. With her support I've also been able to hold a haunted walk and basketball tournament.

I look forward to working with council to continue making Northumberland a great place to raise a family. I want to continue and grow the family friendly events that are already a staple of our community, as well as create new events that will reach multiple generations of people. I look forward to working with the members of council, the community and the borough employees to continue this council's vision for Northumberland.
