MAYOR'S CORNER

For many of us, Summer is our favorite season of the year! Summer is a time for relaxation and vacations. Families can spend more time together with the longer days; take advantage of the warm weather and visit Liberty Splashland, attend a baseball game or soccer match, take a leisurely walk, or just relax in King Street Park. I hope everyone comes out to enjoy Pineknotted Days - the food, entertainment, various games and talking with friends and neighbors after a long, cold winter of hibernating!

"See You in September"-- our Sixth Anniversary, will be held on Sunday September 4th this year. It is always the Sunday of Labor Day weekend. Back to entertain us again, in King Street Park, will be Memory Lane, performing from 3 to 6 pm. Last year there was a record crowd to see them. If you were NOT in attendance, you missed a great concert! We hope to see you there to enjoy their fabulous sounds! Bring a chair and a friend. Refreshments will be available for purchase.

Here is something to hopefully energize your memory and test your trivia skills. I used this quiz at this year's annual Pineknotted Alumni Dinner and Program held in May.

- 1) The Northumberland Borough line ends and Point Township starts at what street going North? 10th 7th 9th 8th

PINEKNOTTERS' DAYS NEEDS YOUR HELP

If you have the desire to help keep Pineknotted Days going and are willing to pitch in to help, Please remember to bring your baked goods to the cake wheel every night.

NORRY PINEMUDDER

It's back!
The Northumberland Fire Department is bringing back the **PINEMUDDER!** Mark your calendar for July 3, 2016. The place to be is Pineknotted Park. This mini-mudder is an obstacle course in the mud event for kids ages four to thirteen. Kids will be grouped by age into teams. Older ages will go first; only because they are faster and will move through the obstacles at a quicker pace than the younger ages.

Participants should wear old clothing and bring a change of clothing with them. They will get dirty and wet! A parent or responsible adult is required to stay on the premise.

This event is strictly for fun. Kids will be challenged by the obstacle course in groups of 5. It's about getting dirty, helping each other, and having fun.

The Northumberland firefighters are sponsoring the event this year. A registration fee of \$5 will be used toward the event expenses. Any remaining proceeds will benefit the fire department.

The PINEMUDDER PLEDGE

To participate in the pinemudder

- ...I will work hard
- ...I will get dirty, wet and muddy
- ...I may get hot or cold and tired
- ...But I will not complain
- ...I will help my friends
- ...I will never give up
- ...And I will HAVE FUN!

Schedule

- 1:00 Registration begins
- 1:30 Team stretch
- 1:50 Star Spangled Banner
- 1:55 Pinemudder Pledge
- 2:00 Pinemudder START

B i n g o !

WE ARE TRYING TO BRING BINGO BACK BUT WE NEED HELP.

Christ United Methodist Church has been kind enough to let us use their parking lot along side the church. **But we need some strong volunteers to help put the big tent up. If you are willing to help Thursday June 30th about 6 pm call Cindy at 570-452-3160 or email her at cindy_diogo@yahoo.com** and as always, we are looking for volunteers to be the BINGO caller, money gatherers, and of course players! Two hour shifts are available throughout the week. Get your shift today before they are all gone!

Summer Playground is held every day from 9:30 to noon at the 2nd St Community Center. Supervised play and crafts are provided rain or shine. A free lunch is provided.

LEMONADE DAY PLANNED FOR AUGUST 6

A glass of ice cold lemonade on a hot, sunny August day will certainly be on everyone’s minds on Saturday, August 6 for the 10th Annual Lemonade Day in Northumberland. The event will take place at the Second Street Community Center at 2nd & Orange Streets.

This year is extra special as we’ll be celebrating Lemonade Day’s 10th birthday! We’ll kick things off at 11am and wrap up by 4pm. There will be organized games and activities, food, bounce house, fun surprises, and of course a variety of lemonade stands run by some of Northumberland’s finest young entrepreneurs. Come on out and buy some lemonade and support our kiddos!

One lucky entrepreneur will also be the winner of a limo ride to the first day of school, compliments of Susquehanna Valley Limousine! Lemonade stand registration forms are available at the Borough Office, Priestley Library, and other business downtown. Be sure to like us on Facebook – “Lemonade Day in Northumberland” to get all the latest updates!

THANK YOU

We would like to thank the Post Master, the carriers, and the community of Northumberland for the food drive on Sat. May, 14, 2016. **“The Reaching Out Food Pantry”** received an amazing amount of food. Thank you for helping to meet the needs of the hungry. It takes caring people like you to stamp out hunger. We fed 411 people this month, which includes children, adults, and seniors.

The Food Pantry is every third Saturday from 9 – 11 am. We are always looking for people to help unload trucks the 1st and 3rd Friday of the month. Also, we need people to help the day of the pantry.

If you can help in any way, please call Trinity United Methodist Church : 570-473-9145. If you can help with any monetary donations, please send to: Trinity United Methodist, King and Sixth Street, Northumberland PA 17857. Please make the checks payable to “The Reaching Out Food Pantry.”

"But if someone who is supposed to be a Christian has money enough to live well, and sees a brother or sister in need, and won't help them - how can God's love be within him? Little children, let us stop just saying we love people; let us really love them and show it by our actions." 1 John 3:17-18 (TLB)

Blessings, Pastor Cindi Gunter

RIVERVIEW CEMETERY

On August 27th, 2016, the cemetery will be hosting the Eleventh Annual “Day of Remembrance”. There are forms for people to pick up in the Northumberland Post Office, Norry Pharmacy, the Borough Office, and Northumberland National Bank. You may also cut out the form on page 15.

We appreciate the generosity of everyone for the past years and hope that it will continue. It is the cemetery’s only fundraiser each year and, of course and more importantly, a day to reflect and remember loved ones who have passed away. They do not have to be buried in River-view. We also accept names to be remembered of friends and family from other area cemeteries. The service will begin at noon, with the reading of all the names of the departed and the names of the friends and families remembering them.

Thank you! Dee Zboray, Secretary 570-473-8296

NORTHUMBERLAND FIRE DEPARTMENT HIRES FUNDRAISING COMPANY

The Northumberland Fire Department would like all residents to be aware that the letter requesting donations to support their activities is not a scam. The legitimate solicitation will appear the same as the one below. A mail service was used for the solicitation. Unfortunately, the new look has had many residents concerned it was a scam.

The use of a mailer company is not new and was previously used about ten years ago by the then Fire Board. The mailer company prints the forms and manages the addresses more cost effectively than volunteers are able.

All monies collected are deposited locally and not handled by the mail company. Any name or address changes are appreciated, and lead to decreased mailing costs.

Any donations will be used exclusively by the Northumberland Fire Department. The proceeds will be used strictly

for equipment and training costs at both fire companies. The Emergency Services Board will manage all monies collected and distribute as needed to the companies. The board consists of representatives from both companies and three unaffiliated borough residents.

The Northumberland Fire Department consists of two companies, staffed entirely by volunteers, possibly your neighbor down the street. These volunteers do more than just fight the occasional fire. They assist in vehicle accidents, emergency medical calls, and spend hours training. They also assist other municipalities as needed. All Northumberland Fire Department services are free! No subscription is required, which means the fire department relies heavily on donations.

Donations are accepted at all times, and for any amount. If you wish to make a donation, and have misplaced the form, just sent the check and a note to The Northumberland Fire Department, PO Box 173, Northumberland, PA 17857. The amounts listed on the "pink" tickets are just suggestions, and are representative of typical donation amounts. Checks should be made out to "Northumberland Fire Department". Blank donation forms are available at the Borough Office at 175 Orange Street.

THE BENEFITS OF RAIN BARRELS

A rain barrel is a container that captures and stores rainwater draining from your roof. Barrels usually range from 50 to 80 gallons and have a spigot for filling watering cans and a connection for a soaker hose. Combining the use of rain barrels with appropriate plant selection and mulching promotes water conservation. Rain barrels benefit your home, garden and community.

Money Saver Rain barrels save homeowners money on their water bills. Garden and lawn irrigation accounts for 40 percent of residential water use during the summer, according to the U.S. Environmental Protection Agency. By using rain barrels, homeowners can save 1,300 gallons of water during the growing season. The Southwest Florida Water Management District states that a half-inch of rain fills a typical 50- to 55-gallon rain barrel. Connecting multiple barrels maximizes rain capture. Rain barrels provide a free water source for irrigation and ease reliance on the city's water supply.

Healthy Plants and Soil Tap water contains inorganic ions and fluoride compounds that accumulate in the soil over time and potentially harm plant roots and microorganisms in the soil. Rainwater does not contain the same additives found in tap water. It benefits plants in your garden by cleaning the soil of salt buildup, thereby promoting an environment conducive to root development.

Reduction of Runoff Rain barrels help reduce the flow of storm runoff. When it rains, runoff picks up soil, fertilizer, oil, pesticides and other contaminants from hard surfaces and landscapes. Storm runoff is not treated and flows directly into streams, lakes and other bodies of water nearby. Runoff fertilizers increase algae growth in lakes, and excess soil alters the habitat for fish. Bacteria can even make lakes and oceans dangerous for recreational activities. Rain barrels capture water that would have swept over a paved surface or lawn, thereby minimizing runoff pollutants. Event at Bloody Spring – August 21, 2016

On a hot summer afternoon in August of 1756, young James Pattin was guarding cattle near Fort Augusta and was ambushed by natives and scalped. His blood ran into the spring to which he had come to quench his thirst and was henceforth known as the Bloody Spring.

On Sunday, August 21 at 2:00 pm this event will be recreated at the site of the Bloody Spring on Memorial Drive just off of Shikellamy Avenue in Sunbury. Spectators are invited to witness the event in the area near the tennis courts. The Northumberland County Historical Society will provide refreshments after the re-enactment at its headquarters at the site of Fort Augusta. Free and open to the public. All are welcome to attend.

PRIESTLEY-FORSYTH MEMORIAL LIBRARY

PFML would like to thank everyone who responded to our annual fund drive. If you still have our special return envelope, or even if you don't, it is never too late to help us out. Your generosity and support is what helps to fund programs like our "Summer Learning"! The concept of summer learning is to keep children moving forward with their reading/learning skills instead of losing them over the summer.

On Your Mark, Get Set, Read! This year's theme for summer learning is sports. With this year being the Summer Olympics it's a perfect match. Like the athlete who practices to win their competitions, practicing to read will also help each child win in life.

Programs for children who have completed Kindergarten to Sixth Grade will be held on Mondays from 1-3 pm, Tuesdays from 6-7 pm, and Thursdays from 10-11 am. Many sports experts and participants will be part of our program as we run, skip, hop, jump, and leap our way through summer.

June 27: Carol Parenzan, The Middle Susquehanna River Keeper will be our guest. She will give us a look at sports activities on our beautiful river.

Throughout summer, demonstrations and visits from such groups as; Double Dutch, Skateboarding Enthusiasts, Special Olympic Gold Medalist, Hikers, Soccer Players, and a Jr. Olympic Ice Skating Champion. Be sure to check our website and "Get in the Game" with us!

Teens: Teen Reading Lounge is here again! Thursdays 4-5 pm. We had such a fun time in the spring that we are offering a mini Teen Reading Lounge program. The program will focus on The Civil War. Teens ages 12 and up are invited to come to the library on Thursdays June 23rd & 30th, July 7th & 14th from 4-5 pm. Special guests will include Jessica Owens from The Slifer House, John Moore Local Author and Historian, and John Deppen, Civil War reenactor. Please call the library or stop in to sign up.

Wee Ones: Children ages Birth to Preschool are invited with their grownups for Wee Ones Programs held on Wednesdays at 10:30. Here's a schedule of our programs: June 22nd - Down in the Jungle, June 29th - Up and Away, July 6th - Jump Frog Jump, July 13th - Bear Hunt, July 20th - Head to Toe and Back Again, July 27th - Party and Celebration. Programs will be held in the Library Garden, weather permitting. In case of inclement weather, we will be inside the library. Adults must attend with children.

Cruise Into Kindergarten with Us! Children who are entering Kindergarten in Fall 2016 are welcome to join us for some kindergarten readiness fun. We will play our way to Kindergarten. If

you have a child ready to go, stop in and sign up today. Help us help your "Kindergarten Newbie", to be more prepared as to what to expect. Programs will be held on Fridays, starting June 24th at 10:30 am and ending July 29th. Each week we will create a pleasant learning experience staged to mimic what they will be doing in Kindergarten. Sign up is limited to 10 children.

Lunch at the Library: Free Summer Lunch program will be offered to children Preschool to Age 18, Monday-Friday, 11:00-12:00 at the library. Some fun activities will be offered daily. All meals must be eaten at the library. The lunch program begins June 13th, and will continue until August 5th.

We are also working on adult programs as well, so if you know of a special topic or activity that you would like to see happen, please let us know. We invite you to become a FACEBOOK friend or check our calendar on the website www.priestleyforsyth.org so that you know what is happening here at your library.

FROM LYNDY CULVERS OFFICE (DISTRICT 108)

The Senior Expo is a popular annual event in which many people attend. This year, the expo is being held on Thursday, July 28, from 10 am to 1 pm, at the Shikellamy High School cafeteria, 600 Walnut St., in Sunbury. The Senior Expo is an event focused on providing seniors with information and education about opportunities here in our district and nearby communities which could enhance their quality of life.

I would also like to encourage everyone to check to see if you have any **unclaimed property** being held by the Pennsylvania Treasury at www.patrealury.gov/claim/. My staff is available to assist you with this and other state-related services, including filling out **Property Tax/Rent Rebate program** forms. The deadline to submit

applications for that program is June 30. Our office, located at 106 Arch St. in Sunbury, is open Monday-Friday, from 8:30 am to 4:30 pm The phone number is 570-286-5885, and the toll-free number is 1-800-924-9060.

New Traffic Laws Now in Effect

With millions of travelers taking to the highways this summer several new work zone safety laws went into effect Memorial Day weekend. The most notable changes requires headlights to be turned on in all posted work zones, not just active work zones. Additionally, more expensive projects will have a speed-monitoring device to alert motorists of their speed prior to entering the work zone, and active work zones must be designated as such to notify motorists when they enter and leave the work zone.

Motorists caught driving 11 mph or more above the posted speed limit in an active work zone, or who are involved in a crash in an active work zone and are convicted for failing to drive at a safe speed, automatically will lose their license for 15 days.

Fines for certain traffic violations – including speeding, driving under the influence, and failure to obey traffic devices – are doubled for active work zones. Also, the law allows for up to five years of additional jail time for individuals convicted of homicide by vehicle for a crash that

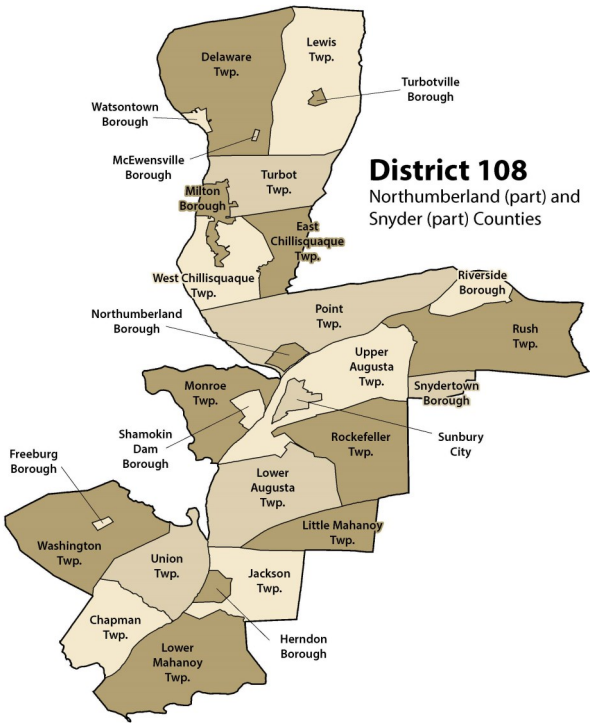

occurred in an active work zone.

House Committee Advances Expansion to PACENET Program. A proposal to allow 32,000 more senior citizens to enroll in the state’s PACENET prescription drug assistance program cleared the House Aging and Older Adult Services Committee and is on its way to the full House for consideration. This would be the first expansion of the program since 2002.

House Bill 2069 would increase the annual maximum income limits in the PACENET program to \$31,000 for a single person and to \$41,000 for a married couple. Current maximum income requirements for the PACENET program, which covers those individuals with incomes exceeding PACE maximums, are \$23,500 for a single individual and \$31,500 for a married couple annually.

An adjustment in the reimbursement formula would allow the program expansion without additional costs on enrollees or additional funds from the Pennsylvania Lottery or taxpayers.

The PACE and PACENET programs provide low-cost prescription drugs to nearly 282,000 Pennsylvanians age 65 and older. Both programs are funded from proceeds of the Pennsylvania Lottery.

ROUTES 147 & 11 RECONSTRUCTION (DUKE STREET & WATER STREET)

The project entails the reconstruction of Duke Street (PA 147) from Eighth Street to Water Street (US 11); Water Street (US 11) from the West Branch Susquehanna River Bridge to King Street; King Street from

the North Branch Susquehanna River Bridge to Front Street (US 11 southbound); and Front Street from King Street to the merge of US 11 northbound and southbound lanes near the Northumberland Borough line at an estimated cost of \$14 million.

The reconstruction will involve complete removal of the existing roadway which will be replaced with a new roadway approximately 24" deep, including new curb. As part of the reconstruction project, the department will be improving drainage and replacing some sections of the sidewalk within the project limits. The intersections of Duke & Water Streets and King & Water Streets will be reconfigured.

Modern traffic signals will be installed to improve efficient vehicle flow through the borough. The "public mailer" on the website under re-

sources shows the limits in yellow. This mailer was sent to over 3500 residents and businesses as part of the outreach prior to the public meeting held in December 2015.

The PA 147 & US 11 reconstruction project is scheduled to start in the spring of 2017. PennDOT held the first public meeting on August 5, 2015. During the meeting, the department gathered feedback on potential traffic control as well as the proposed sequencing. A second public meeting was held December 16, 2015 to discuss changes to the project based on previous comments and to solicit further feedback from the public.

The presentation proposed full closure from Water Street (adjacent to Pineknott Park) to Duke Street / Water Street intersection (Phase 10) and King Street from the Packers Island Bridge to Priestley Avenue (Phase 13). Residents and the Mayor explained the impacts of the full closures to the community. Based on the comments and concerns, one direction of travel will be maintained through the work zone for these two phases.

From PennDOT website: www.penndot.gov/dukestreet which also has a copy of the Public Presentation from the June 6th focus group meeting. During that meeting, a detour using a 'Leap Frog North and South' pattern was determined to be used.

NORTHUMBERLAND LITTLE HOUSE

The newly renovated former Girl Scout Little House—former Northumberland Quoit Club on Third St, will be open at the same time as the Craft Fair during Pineknott Days on Monday July 4th - from 8-3, for people to come take a look at all the work that was done.

Come enjoy a cold drink of water or coffee and tour this new facility. This is an excellent place to have your next meeting or party. Rental is \$35.00 for 2 hours or \$50. for 3 hours. Come party with history.

COMMUNITY YARD SALES ARE COMING TO NORRY!

The Revitalization Committee is coordinating the event scheduled for Saturday, September 3rd. Start saving your items and plan to set up your sale on that day.

The committee will do the advertising and compile a list of participating home addresses. We will ask the sellers to contribute \$2.00 toward the cost of the ads. The King Street Park will be the headquarters to pick up the list of sales. We are also hoping to have some food vendors there in order to supply the energy to our shoppers!

Summer History Camp planned for Wednesday, Thursday, and Friday, July 27, 28, and 29 at Priestley House

First through sixth graders may now register for Summer History Camp at the Joseph Priestley House in Northumberland. The Joseph Priestley House will hold its camp from 9:00 am to 12 noon on Wednesday, Thursday, and Friday, July 27, 28, and 29. The theme is "A Child's Life in Northumberland in the 1790's."

Jo Ann Long and volunteers have planned lots of interesting activities that will allow campers to become familiar with the Priestleys' and how children were educated in early America. Crafts, games, stories, snack time, and visits with special guest presenters are part of each day's activities. The fee is \$30.00 per child.

All campers must register in advance.

Enrollment is limited to 20 campers and the *registration deadline is Monday, July 25*. For more information visit

www.josephpriestleyhouse.org or call [570-473-9474](tel:570-473-9474).

Repairs underway at Priestley House.

You may have noticed construct barriers and work on the Priestley Avenue side of Priestley House this summer. PHMC carpentry crews are busy and replacing pieces of the sill plate above the foundation stone. This required lifting the front of the house about 1/1/2 inches and removing damaged or deteriorated wood pieces. Later in the summer the fence and outbuildings will be replaced and the visitor center painted.
