Thirty Years Later, Still Going Strong!

It's been a little more than 30 years since a group of community-minded individuals got together to plan a celebration for the Northumberland - Point Township Bi-centennial. They surely did not envision the annual week-long celebration known as Pineknoller Days into which their endeavor would evolve. It was only after the Bi-centennial, as they reflected on the great community spirit and fellowship that took place during the festivities, did they decide to

make it an annual event. To that end, The Northumberland - Point Township Pineknoller Days Association was incorporated September 4, 1973.

Although the Pineknoller Days Committee spends the better part of a year planning for the next year's celebration, the success of Pineknoller Days is possible only through the cooperation of many other people. Each year, businesses and non-profit groups bring their wares into the park; some of

these vendors have been a part of Pineknoller Days since its inception in 1973. For some non-profit groups, this is the main source of income.

However, no matter how many or what concessions are involved, without the support of the general public, Pineknoller Days could not continue to be as successful as it has been. Each year, Northumberland - Point Township area residents, as well as those from surrounding communities, come and

The Mud Flaps. Chance. Re Creation. That is just some of the evening offerings. The Pineknoller Days celebration kicks off with a Soap Box Race and con-

cludes with the Harrisburg Heat in Soccer Fest. In between, of course, there are the regular *oh so good* offerings such as funnel cakes, hot dogs and the

occasional frosted shake. Did we mention the enormous Craft Fair on the 4th of July?? See the complete schedule on page 2.

Streets

The Northumberland Parks & Recreation Committee and the Police Department will sponsor the 3rd annual SOAP BOX RACE.

KIDS KRAFTY KORNER

The Northumberland Recreation Committee will once again sponsor crafts and games for children ages 5 through those finishing 5th grade.

The sessions will be held on Wednesday mornings from 9:00 to 11:30, starting June 19 and ending July 31, (with the exception of July 3.) The program is

in its second year of operation and will be held at the Girl Scout Little House at 344 3rd Street. Mayor Gretchen Brosius will be planning the projects and overseeing the activities. Anyone interested in helping is asked to call 473-9609 or 473-3414. Come join the fun!

Race day will be June 29, beginning at 8:00 am.

The race is held on King Street between Fourth and Fifth Streets. A first, second, and third place winner from each age group will receive

a trophy! All racers will receive a T-shirt. One lucky winner will take home a race car that day compliments of Dale Walter of Walter's Mobil!

help support us by buying from the vendors. And we are especially thankful for those people living in the King Street Park area who contend with the general confusion and noise associated with the celebration each year.

As in previous years, the Pineknoller Days Committee is looking for the help and support of many people. We hope area residents will come to King Street Park and participate in the different

activities. Unless the vendors, and thus Pineknoller Days, make money, we will not be able to continue to provide the nightly entertainment and other things that are a part of the celebration. Each year, we rely on borough and township residents to help set up, work in the stands, and clean up after the festivities. We also hope they will provide baked goods or other items for the Pineknoller Days cake wheel stand.

Through the years there

have been numerous changes, but the community spirit and fellowship that was evident in 1973 is still evident each year during the July 4th week Pineknoller Days celebration. We hope all residents of the Northumberland - Point Township area will be able to avail themselves to many of the different activities associated with this year's Pineknoller Days celebration.

1973

Pineknoller Days just started, just as:

- **The Sting** was the year's Best Picture
- On television, "All in the Family" and "The Waltons" ruled
- The Supreme Court made its famous **Roe v. Wade** decision
- An agreement was signed in Paris to end the fighting in Vietnam
- 1973 was the last year of the Vintage Mustang
- Billie Jean King defeated Bobby Riggs in the **Battle of the Sexes** Tennis Match
- And Lyndon Johnson died

Celebrating *Life*

Hospice has turned an eternal secret into a living principle: That what is truly important is life, lived richly, deeply, meaningfully for as long as it lasts. Dignity, family, comfort, and caring are hospice, an idea whose time has come, and just in time for me. -- A Hospice Patient

The hospice concept is to provide care and dignity to those individuals with a life-limiting illness, and to assist their families during and after this time. Hospice care is a loving way of keeping families together; it affirms life, emphasizing quality, not length. Hospice empowers patients to live fully while including families and loved ones in giving care.

SUN Home Hospice addresses the physical, emotional, spiritual, social, psychological and economic needs of patients and their families. In the Hospice Program, caring is a team effort, with the patient and the family as the center of the team.

For more information about **SUN Home Hospice**, please call SUN Home's Health Information & Referral Center at 1-888-478-6227. For information about becoming a **SUN Home Hospice Volunteer**, please call Maggie Henderson, Medical Social Worker, at 1-800-634-5232, extension 6190.

The Health Report: Food borne Illness

By Lee Shaffer,
Borough Health Officer

In a recent survey by the Food and Drug Administration (FDA) with regard to Food borne Illness, the following risk factors are the greatest need of attention. I would point out that the factors are equally important in the home as well as in the food industry.

These include the following:

- Improper Holding Times and Temperatures i.e.: cold foods below 41°F – hot foods 140°F or above
- Contaminated Equipment/Cross Contamination

Wash fruit and vegetables before cutting.

Do not cut raw meat and then cut fruits and vegetables using the same knife.

- Poor Personal Hygiene
- Wash hands before handling food; Use hair restraints, etc.

Food Safety Guidelines for Bake Sales

While we do not usually associate food borne outbreaks with these types of sales, baked goods still require food handlers to practice safe food handling methods. Here are some tips for people providing and selling at bake sales.

All food should be prepared in clean and sanitary kitchens by persons free of communicable diseases.

All food handlers must wash their hands with soap and warm water before preparing food.

A Mayor's Welcome

Celebrating 230 Years of Community Spirit

It is summer in Northumberland. The kids are enjoying time out from school, and are playing Little League baseball, AYSO soccer, and swimming at Liberty Pool. Some are enjoying the playground program at C.W. Rice, while some others are working on crafts at the Girl Scout Little House on Wednesday mornings. None of these programs, including Pineknotted Days would be possible without the help of dedicated volunteers from both Northumberland and Pt. Township.

This year is an anniversary year for both of our communities. It has been 230 years since both communities were established. We have a rich history here and the heart of our community has always been its committed volunteers. This volunteer spirit has become known over the years as a *Pineknotted*. And it is with great pride that I remember thankfully the volunteers of yesterday and today and ask the young people to continue this tradition when planning their futures.

God has richly blessed us as Americans and as Pineknotters so let's remember to thank Him and pray for wisdom and guidance as we work together to make our community a better place.

Have a fun and safe summer, and welcome to Pineknotted Days 2002!

Gretchen Brosius, Mayor

Food should be tightly wrapped or sealed during transport. Vehicles used to transport food should be clean. Food should not be transported with family pets. Packages must not be open and cannot be opened to sell part of the contents.

Any decorating of cookies, cakes, etc., must be done prior to packaging and cannot be finished in the booth.

All food contact sur-

faces must be clean and sanitized regularly. Use disposable paper towels for cleaning. Avoid using sponges; they harbor bacteria. A sanitizing solution can be made using one (1) teaspoon of chlorine bleach with one (1) quart of lukewarm water. This may be placed into a spray bottle and labeled "sanitizer" for easy use. Sanitizing solution should be made fresh daily since the bleach can dissipate.

Summer Internship Program Again Benefits the Borough

Northumberland Borough once again benefits from the Summer Intern Program developed by the Degenstein Foundation and PHEAA. College students and college-bound high school seniors who receive PHEAA loans or grants are eligible to participate in this Summer Intern program. Ninety percent of the wages paid to these students are reimbursed to the employers by these two organizations.

The borough currently has students employed at the Liberty Pool, the Summer Recreation Program, assisting with the Arts and Crafts program, and working with the borough street crew. These positions and others are available through this Summer Intern

Program. More than 100 students are employed at Central Susquehanna Valley municipalities and non-profit organizations through this program. If you are interested in applying for a position through the Degenstein Foundation next year, applications will be available at the Borough Office by March 1 and must be submitted to the Degenstein Foundation by April 15, 2003.

2002 Summer Recreation Program

The 2002 Summer Recreation Program is underway for students who have just finished Kindergarten through students who have just finished 7th grade. The program, which began on June 3, will be held from 9:30 - 11:30 a.m., Monday - Friday, until August 9th.

The outdoor program will be held at the tennis courts and on the field above the C. W. Rice Middle School.

This program is FREE and will involve many different activities including: tennis, basketball, kickball, whiffleball, and others. Sponsored by the Northumberland Borough Parks and Recreation Committee and the North-

umberland Borough Council, college students will plan and supervise the activities.

Funding has been provided by the Degenstein Foundation and the Joseph Anselmo Sr. Community Trust.

West Nile Virus Warning

WEST NILE virus is a serious concern and we are asking for your help in order to prevent it from spreading. More birds, especially crows, have tested positive for the virus in Pennsylvania. In addition

to birds, mosquitoes are also known carriers of this virus. The WEST NILE virus is a known cause of meningitis and potentially death. Our concern and obligation is to eliminate the breeding sites for mosquitoes. This includes items such as tires, cans, pans, unused wading/kiddy pools, sandboxes, clogged rain gutters, unused swimming pools, small bodies of water in low lying ground, and anywhere else that stagnant water can accumulate.

Your help in this issue is

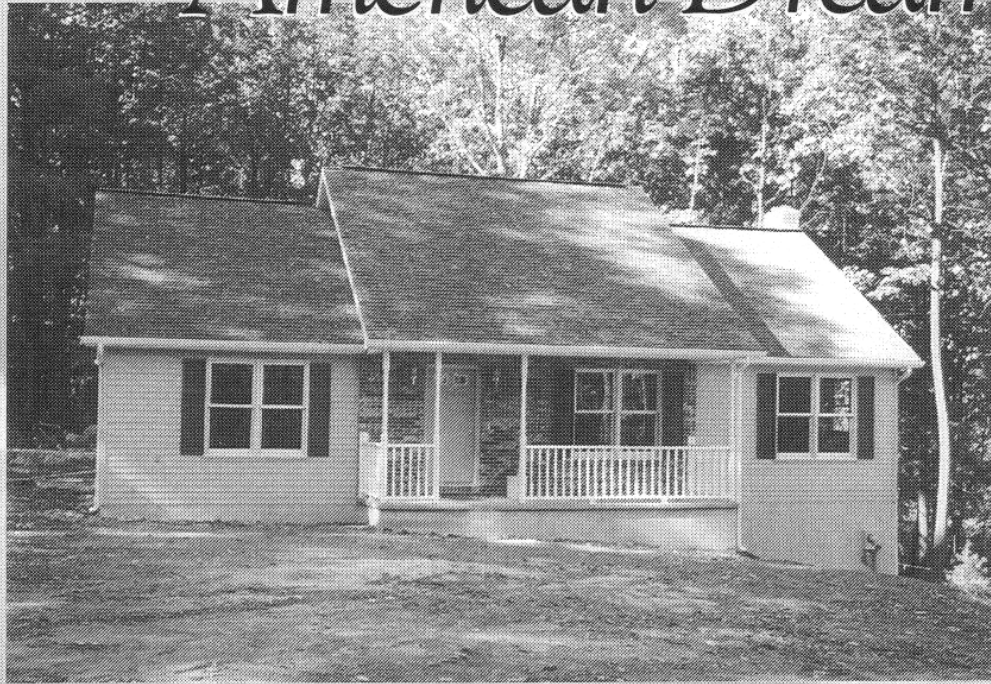

important to the safety of the entire community.

Thank you.

From The President of Borough Council

Greetings, and welcome to the 30th Annual Pineknotted Days celebration! Now entering its *fourth decade*, the Northumberland-Point Township Kiwanis organization has provided fun for the young and old alike, all to benefit the local community.

Over the course of the next week, I invite those visiting from outside our borough to explore what I consider the *Heart of the Pennsylvania Susquehanna Valley* and get to know us better. Come to the Craft Fair, relax to some great entertainment, and of course, sample the terrific food. There is a lot to see and do, so make a week of it!

So from our family to yours, welcome!

They Always Ask: What is a Pineknotted?

Additional Ad Space

It happens every year.

Northumberland welcomes people to

Pineknotted Days and they begin asking. What exactly is a PINEKNOTTER?

The late George Donachy, a friend to many in this borough, told an out-of-town acquaintance one time what he felt defined the word Pineknotted.

We print that definition here as a tribute to George, and to all those Pineknotters that have left us but will certainly never be forgotten.

A Pineknotted

"Pine" is a versatile evergreen, "Knot" is a hard piece of wood growing from a branch. We have been and will be versatile and hard. The "Pine Tree" gives us a vision of pride, standing erect. The "Knot" strength...The will to win.

Creating A Roadmap

The Northumberland-Point Township Revitalization Committee has been meeting on a monthly basis to discuss ideas and plan events around Northumberland and its history. Our goal is to "Create a Roadmap for Our Community".

Our first project is a fundraiser of a print titled "Front Street Station" by Jeffrey Lynch. It is a historical work of Front Street Station as a train station many years ago. Please stop and visit us during Pineknott Days to see a framed print we will have on display. We will also have prints for sale in the park on July 4th during Pineknott Days! Cost of the print is \$90 and proceeds benefit the Revitalization Committee. You can take one home with you or you may purchase a print from Karen Stahl at Peace of Home gift shop, 90 Queen Street. If you have your print framed by Peace of Home, Karen graciously donates 10% of your framing cost back to Revitalization! We would like to thank her for all her hard work on this project as well as the local businesses that have volunteered to display the print.

New projects include flower planters for downtown, replacing park benches in King Street Park, a community bulletin board to be placed at King Street Park and replacement garbage cans for downtown.

Please watch the Northumberland Borough website for our next meeting date. We'd be happy to have new members join our committee and ideas are welcome from the community.

Community Pavilions Still Available for Summer

Pavilions Available for Rent
Pineknott Park and Liberty Hollow pavilions may be reserved by contacting the Borough Office at 473-3414. The rental for Pineknott Park pavilion is \$50 per day and requires a \$50 refundable deposit. Liberty Hollow pavilion is rented for \$25 per day with a \$25 refundable deposit.

These areas are perfect for family picnics and reunions.

Sidewalk Project Underway

The Borough's Sidewalk Beautification Project is in full swing. As noted in a letter mailed to property owners earlier this summer, those with properties located within the 2nd political ward have until October 31 to fix or install sidewalks. Liberty Pool Opens for Season

Exciting things are coming to the Liberty Pool! New for 2002 are the bright, fun colors. Lounges, tables and chairs invite you to spend some time relaxing around the pool. The newly renovated "Liberty Café" has an expanded menu. Sand volleyball is now available for the active individuals. You can float in the water on a pool tube, or experience the one-of-a-kind DUMP TOWER, designed by

Greg Carl.

General Admission is just \$3.00 per day, with a rate for children under 5 of \$1.00 and a Senior citizen (55+) rate of \$2.00. Pool hours are 12:30 pm to 6:30 pm daily. Splash hops are planned for July 9 and August 20 from 6:30 pm to 9:00 pm.

SUPER SUNDAY GIVEAWAYS are scheduled for every Sunday during normal hours. Local merchants

have generously donated the prizes. Other special days are being planned. Watch for the "moms get in free" day, "dads get in free day" and "grandparents get in free day" to be announced. Other activities will be an adults only party this summer and contests, like a lip sync contest where local business leaders and personalities will judge the contestants with a cash or prize giveaway awarded to the winner.

A junior lifeguard program is coming in July for those ages 11-15, with limited spaces available.

Pool rentals and birthday packages are now offered. Ask Travis Fisher, the pool manager, for more information.

The Liberty Pool Commission is seeking members for fundraising events for the water park. Contact the borough office at 473-3414 if you are willing to volunteer.
